

## **Day 9: Weaponize Science Without Wisdom** When Knowledge Becomes an Idol

*If the enemy can get you to worship creation instead of the Creator... he's already won.*

Science is a gift. But when it's used without wisdom, it becomes dangerous.

The enemy doesn't try to destroy science—he twists it.

He wants us to trust what we can prove more than the God who made it all.

Today, we're told to trust the lab over the Lord.

Data over discernment.

Experts over eternal truth.

### **1 Timothy 6:20 (AMP):**

“O Timothy, guard *and* keep safe the deposit [of godly truth] entrusted to you, turn away from worldly and godless chatter [with its profane, empty words], and the contradictions of what is falsely called “knowledge”—”

We've built altars to intellect—and slowly silenced the Spirit.

But the same God who designed DNA... also heals bodies with a word.

The same Jesus who walked on water... still moves in power today.

### **Proverbs 9:10 (AMP):**

“The [reverent] fear of the Lord [that is, worshiping Him and regarding Him as truly awesome] is the beginning *and* the preeminent part of wisdom [its starting point and its essence],

And the knowledge of the Holy One is understanding *and* spiritual insight.”

Real wisdom doesn't start with more information.

It starts with a heart that humbly honors God and listens for His voice.

It's not “faith or science.” It's faith that sees science through the lens of God's truth.

Be curious—but stay grounded.

Use your mind—but guard your heart.

And don't trade the supernatural for what the world says is “safe.”

Episode 10: The Final Battle—How the Enemy Tries to Rebrand Hell and Erase Eternity.

**DEVOTIONAL:**

When Knowledge Becomes an Idol

**SCRIPTURE:**

1 Timothy 6:20 (AMP) — “O Timothy, guard *and* keep safe the deposit [of godly truth] entrusted to you, turn away from worldly and godless chatter [with its profane, empty words], and the contradictions of what is falsely called “knowledge”—”

Proverbs 9:10 (AMP) — “The [reverent] fear of the Lord [that is, worshiping Him and regarding Him as truly awesome] is the beginning *and* the preeminent part of wisdom [its starting point and its essence],  
And the knowledge of the Holy One is understanding *and* spiritual insight.”

**DEVOTIONAL REFLECTION:**

The enemy loves to confuse being smart with being right.  
But knowledge without God leads to pride, not truth.  
We need more than answers.  
We need God’s perspective.  
We need revelation from Him.

Honor God above the experts.  
Invite His wisdom into your questions.  
Don’t let pride block the presence of the One who knows all things.

**If you downloaded this 10-day series PDF—go to Day 9 and say this short declaration and prayer with me.**

**DECLARATION:**

I will not worship what was made.  
I worship the One who made it.  
True wisdom starts when I choose to honor God first.

**PRAYER:**

Father, thank You for the gift of knowledge. But I don’t want head knowledge without heart truth. Keep me humble, teachable, and centered on You.

**CHALLENGE:**

Set aside 15 minutes this week to pause and honor God—no asking, no scrolling, no noise. Just quiet worship. Bring a heart of gratitude and thanksgiving. Let that time reset your focus and renew your trust in Him.
